About the job

Build up your design portfolio with both business-facing and consumer-facing artwork, including promotional templates, social media graphics, website banners, emailers and more.

As our graphic design intern, you will be tasked with generating digital images and illustrations to promote and market our / our clients' products & services.

You will work closely with marketing and creative team members to produce on-brand and eye-catching campaigns that drive sales.

Responsibilities:

- Collaborate with content marketing team members to create compelling & engaging social media content
- Respond quickly and work efficiently to manage incoming day-to-day graphic requests to support marketing programs
- Approach projects with creativity to develop new and exciting ways to communicate visually
- Design interactive landing pages, and other web content for sales and marketing usage

- Assist with video editing and production needs, as necessary

Requirements:

- Bachelor's degree in art, graphic design, or related field
- A great eye for design, layout, typography and colour selections
- Past design experience in e-commerce, retail, lifestyle, software/SaaS preferred

Benefits:

- Flexible work hours
- Work with a cross-functional, multi-cultural team
- Gain experience working for a budding startup with global reach
- Build your design skills and portfolio

Compensation Structure:

This is an unpaid internship.
